Fellow Tennesseans,

Thank you for attending and/or praying for the rally to end child mutilation this past Friday October 21, 2022. We must protect the children from the irreversible mutilation of their bodies and lives. Our work and vigilance must be ongoing, and our thanks and prayers are for Matt Walsh as he exposes this barbarism for profit in our State of Tennessee.

I am attaching a copy of the bill carried in 2022 by Rep John Ragan and me. I am giving you a visual of what legislation must do to create this protection. I am also attaching graphic photos representing the surgeries and hormonal "therapies" that must be made illegal for minors (up to age 18—Tanner 5) in Tennessee.

You are encouraged to copy and share this information as we prepare for the 113 Session of the General Assembly of Tennessee.

Thank you in advance for your continued involvement in making this mutilation of our children a short period of darkness in our state's history.

Warm regards,

A handwritten signature in black ink that reads "Janice Bowling".
